

## **Narrative writing checklist**

---

Check that you are writing in the following way:

**I will create an attention grabber for the beginning of my story.**

**I will carefully describe the details of my characters and setting.**

**I will create suspense in my story.**

**I will write my main event through action, dialogue, descriptions, thoughts and feelings.**

**I will write my story in a creative and imaginative way.**

**I will end my story with a message or lesson learned.**

**I will use descriptive words for my characters, settings and actions.**

**I will use proper grammar and correct spelling to make sure my writing is understandable.**
