

Narrative writing

This is a framework for helping you formulate your ideas before writing your narrative piece.

What is the story about? What is your attention grabber.	
Beginning:	Describe your characters: Describe the setting - time and place: Describe the event or problem:
Middle:	What happens first, second, third: 1. 2. 3.
End:	How is the event, conflict or problem resolved? What is the message or lesson learned of this story?
