

Dollars, Part 2

Here you see coins and bills with whole-dollar amounts. Besides these, we have a 50-dollar and a 100-dollar bill.

Write the “\$” symbol in front of dollar amounts.

Write first the dollars, then a decimal point, and then the cents.

\$6.50

\$12.05

1. How much money is there? Write the amount in dollars.

<p>a. \$ _____</p>	<p>b. \$ _____</p>
<p>c. \$ _____</p>	<p>d. \$ _____</p>
<p>e. \$ _____</p>	<p>f. \$ _____</p>
