The Day I Tried to Cook

By: Sue Peterson

Mom is a great cook. She started cooking when she was three-years-old! I know that sounds silly, but she would help her mother cook. And, now I’m helping my mom cook.

I like to make chicken the best. Baked chicken is my most favorite thing to make. It is also my favorite food to eat.

One day, when mom was sick, I tried to make the chicken all by myself. I washed the chicken and put it in a pan in the oven to bake. When the bell rang to tell me the chicken was
done, I opened the oven door. **Guess** what? The chicken was not cooked!

I started to *laugh*. I *laughed* and laughed and laughed! Did you know what I did? I forgot to turn on the oven! The oven!

Did you know what I did next? I called on the telephone for **pizza** to come to our house. Mom was happy that I “cooked” by myself. She was happy that we could eat the pizza together.

**Guess** what? We will have chicken some other night.
