

## Action verbs

### Grade 3 Verbs Worksheet

*Hint:  
An action verb tells what the  
subject is doing*

Circle the action verb in each sentence.

1. The helicopter hovered above the field.
2. The train travelled fast through the prairies.
3. The snowplow pushed the snow off the road.
4. The cruise ship moved slowly against the waves.
5. Regular cars pollute more than electric cars.

Write two sentences with an action verb in each. Circle the action verbs.

1. \_\_\_\_\_
2. \_\_\_\_\_

There are two words underlined in the following sentences. Identify the noun with an "N" and the verb with a "V".

1. The students at that school wear a uniform.
2. The teacher read the entire book.
3. Mr. Brown took his students on a nature walk.
4. My favourite team finished in first place.
5. The players gathered around their coach.
