

Declarative sentences

Grade 3 Sentences Worksheet

Circle the declarative sentence.

A declarative sentence is a statement. In other words, it is a sentence that tells you something. It ends with a period.

Monkeys live in the jungle.

Did you know that monkeys sleep sitting up?

A howler monkey can be heard more than three miles/five kilometers away!

Then write three more declarative sentences about monkeys:

1. _____

2. _____

3. _____

Answers

Circle the declarative sentence.

Monkeys live in the jungle.

Did you know that monkeys sleep sitting up?

A howler monkey can be heard more than three miles/five kilometers away!

Then write three more declarative sentences about monkeys:

Students' three declarative sentences may vary, but they must all end with a period.
