Kindergarten Social & Emotional Learning Worksheets

Read the story and answer the question.

Gianna and Manuel are building a tower with blocks. Gianna wants to add a bridge and Manuel wants to add another room, but they don't have enough blocks to do both. Manuel begins to cry, and Gianna is getting mad. Gianna pushes the blocks, and they all fall over. Mr. Martinez makes them clean up the blocks.

Questions

1. What was the problem in the story?
 - a. Gianna and Manuel don't have enough blocks.
 - b. Gianna and Manuel are reading a scary story.
 - c. Gianna pushed Manuel.

2. What could Gianna and Manuel have done to solve their problem?
 - a. Argue until someone gives in.
 - b. Tell on each other to their teacher.
 - c. Build the bridge first and then the room.

3. How do you think Gianna and Manuel felt after having to clean up the blocks?

Answers
