

# Sort and count gummy bears

Data and Graphing Worksheet

Draw a line from each gummy bear to the correct box.  
How many of each color are there?

# Answers

The image shows a matching exercise. On the left, there are four boxes, each containing a gummy bear and a number:

- Box 1: Green bear, number 7
- Box 2: Yellow bear, number 8
- Box 3: Red bear, number 6
- Box 4: Pink bear, number 9

On the right, there is a collection of 25 gummy bears of various colors and sizes. Red lines connect the boxes to the correct number of bears of the same color:

- Box 1 (Green bear, 7) connects to 7 green bears.
- Box 2 (Yellow bear, 8) connects to 8 yellow bears.
- Box 3 (Red bear, 6) connects to 6 red bears.
- Box 4 (Pink bear, 9) connects to 9 pink bears.
