

Telling time (whole hours)

Grade 1 Word Problems Worksheet

Dave is a basketball fan. He follows the basketball game schedule closely.

1. Last night, Dave went to bed early at 9 o'clock in the evening. He woke up at 6 o'clock in the morning. How long did he sleep?
2. Dave ate his breakfast at 7 o'clock in the morning. He was going to watch a basketball game two hours later. What time will the basketball game start?
3. Oliver is also going to watch the game. He left his house at 8 o'clock in the morning and arrived at the arena at 9 o'clock in the morning. How long did it take Oliver to get to the arena?

4. The basketball game will start at 1 o'clock in the afternoon. Dave and his family arrived at the arena 2 hours earlier. When did they arrive at the arena?

5. The game started at 1 o'clock in the afternoon and ended at 4 o'clock in the afternoon. How long was the game?

6. The visiting team arrived at the arena at 12 noon to practice and prepare. The game started one hour later. The game ended at 4 o'clock in the afternoon. How long did the visiting team stay at the arena altogether?
