

5th Grade Framework

Grade 5 Spelling Worksheet

Below the blank puzzle grid is a list of words. Place the words in the correct place on the grid. Tip: Start with letter sizes that have the fewest words. So if there are only 2 words with 7 letters and 5 words with 4 letters, try placing the 7 letter words first.

6 Letters kidney needle	7 Letters exiting	tolerate	completely
	8 Letters indicate	10 Letters irrigation particular
