Read the paragraph and fill in the missing words.

**Word list:** foundation, structure, cavern, boulder, horizon, meadow, gravel, ashore, pebble, particle

We were following a \_\_\_\_\_ pathway, and I was kicking a small \_\_\_\_\_ along as we went. The long grasses of the \_\_\_\_\_ stretched as far as I could see to the \_\_\_\_\_, where the sun was setting. Each \_\_\_\_\_ of dust I could see in the fading light floated slowly along in the air. To my left I could hear the waves as they crashed \_\_\_\_\_, and see the waves splash against a big \_\_\_\_\_. As the path took us closer to the beach, I could see a \_\_\_\_\_ someone had made out of stones. It looked like a \_\_\_\_\_, and the \_\_\_\_\_ of it looked strong, so I went inside. It was so calm I wished I could stay there all night.

We were following a gravel pathway, and I was kicking a small pebble along as we went. The long grasses of the meadow stretched as far as I could see to the horizon, where the sun was setting. Each particle of dust I could see in the fading light floated slowly along in the air. To my left I could hear the waves as they crashed ashore, and see the waves splash against a big boulder. As the path took us closer to the beach, I could see a structure someone had made out of stones. It looked like a cavern, and the foundation of it looked strong, so I went inside. It was so calm I wished I could stay there all night.
